Each Unit is comprised of one common share in the capital of the Issuer and one-half of one share purchase warrant (each whole warrant, a “Warrant”). Each Warrant entitles the holder to acquire, on payment of \$0.20, one common share in the capital of the Issuer for a period of 36 months.

Immediately following the transaction that triggered the requirement to file this report, Dundee owns 52,838,838 common shares and 3,730,769 Warrants, representing an approximate 19.88% interest in the Issuer on an undiluted basis and a 21% interest on a partially diluted basis.

Dundee acquired the Units of the Issuer for investment purposes only. Dundee intends to review, on a continuous basis, various factors related to its investment, including (but not limited to) the price and availability of the securities of the Issuer, subsequent developments affecting the Issuer or its business, and the general market and economic conditions. Based upon these and other factors, Dundee may decide to purchase additional securities of the Issuer or may decide in the future to sell all or part of its investment.
