

DUNDEE CORPORATION ANNOUNCES UPSIZE IN SALE OF DUNDEE PRECIOUS METALS SHARES AND WARRANTS FOR UP TO \$247.36 MILLION

NOT FOR DISTRIBUTION TO UNITED STATES NEWSWIRE SERVICES OR FOR RELEASE PUBLICATION, DISTRIBUTION OR DISSEMINATION, DIRECTLY OR INDIRECTLY, IN WHOLE OR IN PART, IN OR INTO THE UNITED STATES.

FOR IMMEDIATE RELEASE

Toronto, May 7, 2020 – Dundee Corporation (TSX: DC.A) (the “Corporation” or “Dundee”) is pleased to announce that it has increased the size of the secondary offering being made pursuant to an agreement with RBC Dominion Securities Inc. and Stifel GMP (together, the “Dealers”) to sell 23,900,000 units (the “Units”) at a price of \$6.35 per Unit to qualified purchasers, for gross proceeds to Dundee of \$151,765,000 (the “Sale Transaction”). Each Unit consists of one (1) common share of Dundee Precious Metals Inc. (“Dundee Precious”) owned by Dundee (a “Unit Share”) and one-half (0.5) of a common share purchase warrant (each whole warrant a “Warrant”). Each Warrant shall entitle the holder thereof to acquire one (1) additional common share of Dundee Precious owned by Dundee (a “Warrant Share”) at an exercise price of \$8.00 for a term of 12 months from the date of issue. In the event that all Warrants are exercised, the total gross proceeds to Dundee would be \$247,365,000.

The Sale Transaction is scheduled to close on or about May 13, 2020, or such other date as agreed among Dundee and the Dealers.

The securities to be issued and sold under the Sale Transaction have not been, and will not be, registered under the United States Securities Act of 1933, as amended (the “U.S. Securities Act”), or any state securities laws, and accordingly, may not be offered or sold within the United States except in compliance with the registration requirements of the U.S. Securities Act and applicable state securities requirements or pursuant to exemptions therefrom. This news release does not constitute an offer to sell or a solicitation of an offer to buy any of the securities in the United States.

Updated Early Warning Disclosure

Upon closing of the Sale Transaction, Dundee will have sold 23,900,000 common shares of Dundee Precious (the “Dundee Precious Shares”) as a component of the Units under the Sale Transaction. The sale of Units will provide aggregate gross proceeds to Dundee of \$151,765,000. The sales of the Units will be made by block trade to the Dealers through Dundee’s wholly owned subsidiary, Dundee Resources Limited.

Prior to the Sale Transaction, Dundee held 35,881,552 of Dundee Precious Shares, representing an approximate 19.83% interest in Dundee Precious. Upon closing of the Sale Transaction,

Dundee will own 11,981,552 Dundee Precious Shares representing an approximate 6.62% interest in Dundee Precious.

In the event that the Warrants forming part of the Units are exercised in full, Dundee will dispose of an additional 11,950,000 Dundee Precious Shares at a value of \$8.00 per Dundee Precious Share (being the exercise price of the Warrants), for additional gross proceeds to Dundee of \$95,600,000. This further disposition will result in an additional decrease in Dundee's shareholdings in Dundee Precious, and Dundee would then hold 31,552 Dundee Precious Shares, representing less than 1% of the currently issued and outstanding Dundee Precious Shares.

Dundee will file an early warning report under National Instrument 62-103 in connection with the closing of the Sale Transaction. As Dundee will have decreased its security holdings in Dundee Precious below 10%, following the above-noted early warning report filing, it will no longer be required to report under the early warning requirements of National Instrument 62-104 – Take-Over Bids and Issuer Bids, unless its security holdings in Dundee Precious increase to 10% or more in the future.

ABOUT DUNDEE CORPORATION

Dundee Corporation is a public Canadian independent holding company, listed on the Toronto Stock Exchange under the symbol "DC.A". Through its operating subsidiaries, Dundee Corporation is engaged in diverse business activities in the areas of investment advisory, corporate finance, energy, resources, agriculture, real estate and infrastructure.
